I can't thank the chaperones enough for this incredible experience that my son had. He grew in his food selection as he only eats certain foods here and for that, I am grateful. It also provided him with a challenge to work through, helping to build resilience—an important skill for many individuals. He never felt nervous or worried as he knew he was in good hands. You all worked so hard for the kids.

Parent 2026 Europe trip

Hello Chaperone Team,
C and I would like to extend our most heart-felt appreciation for all the wrangling, support and patience you all must have offered the kids, during this trip.

R had a great time and seemed to have a smile on his face in every picture we saw, after you all finally got there.

Warmly,
Parents

*"My entire **life changed** within the span of 10 days. How I saw myself, how I engaged in learning, and how I viewed the world would all begin to evolve right from the moment my first flight touched down in San José."*
